24/3/2012 11:01

24/3/2012 11:01

A photograph of a large, rugged rock formation. The rock face is reddish-brown with various shades of brown and tan, showing signs of erosion and weathering. Sparse green vegetation, including small shrubs and grass, is scattered across the surface. The sky above is a clear, pale blue.

24/3/2012 11:17

24/3/2012 11:17

The image shows a massive, dark-colored cliff face with prominent vertical and horizontal sedimentary rock layers. The upper portion of the cliff is relatively smooth, while the lower slopes are more eroded and covered in sparse, dry vegetation. At the very top left of the cliff, there are several small, colorful figures, likely climbers or researchers, which provide a sense of scale to the immense rock formation.

11:19

24/3/2012 11:20

24/3/2012 11:22

A photograph of a large, rugged, brownish rock formation, likely a cliff or mountain side. The surface is covered in various shades of brown and tan, with patches of sparse green vegetation, possibly dry grass or small shrubs, scattered across the slopes. The terrain appears rocky and uneven, with some overhanging rock formations and ledges. The lighting suggests a bright, sunny day.

24/3/2012 11:39

A photograph of a group of people and a dog in a desert landscape. In the foreground, a man wearing a white cap and a light-colored shirt is facing away from the camera, looking towards a brown and white dog standing on a rocky ledge. To his right, another man in a white t-shirt and a grey bucket hat is smiling and gesturing with his hands. In front of the man in the white cap, a woman with curly hair wearing a blue t-shirt is bent over, and another person's head is visible behind her. The background is a dry, rocky hillside with sparse vegetation.

A group of people are resting on a rocky hillside. In the foreground, a person wearing a white cap and a grey shirt is leaning forward, resting their head on their hand. They are wearing a black and red backpack. Behind them, another person in a yellow vest and white cap is sitting. To the right, a person in a white shirt and grey pants is sitting. The ground is covered in rocks and dry vegetation. A date and time stamp in the bottom right corner reads "24/3/2012 11:59".

A photograph showing a group of hikers on a rocky mountain ridge. The ridge is made of light-colored rock with patches of orange and red lichen. In the background, there are large, steep mountains covered in sparse vegetation. A valley below contains several small, rectangular agricultural fields. The sky is clear and blue. In the bottom right corner, there is a timestamp in red text.
